Model Year	2023
Model Name	Ranger XP 1000 Northstar Edition Premium
Model Code	R23RRU99AK
Color	Super Graphite / Lifted Lime Accents
Engine Size	999 cc

FEATURES

Features

UNMATCHED COMFORT & CONVENIENCE: Escape the heat and lock out the cold with the industry's most premium cab and HVAC, updated with a variable AC compressor to offer faster cooling and lower temps. The tight sealing cab system protects from dust, water, and debris while offering a quieter ride than ever before. Premium seats deliver a contoured fit for next-level comfort.

CAPABILITY REDEFINED: Whether you're hauling gear, towing a trailer or transporting people, make quick work of any task with class-leading power and capability. The 999cc ProStar engine cranks out 82 HP for best-in-class 2,500 lb towing and 1,275 lb payload capacity.

INDUSTRIAL STRENGTH & DURABILITY: Fend off rocks, stumps, and rough terrain with a rigid one piece chassis, full-body skid plate and massive front bumper delivering maximum protection. 8-ply Pro Armor X-Terrain tires offer improved durability and a more comfortable ride in tough terrain.

EXTREME COMFORT: Every detail of the refined interior puts the driver and passengers first for unmatched comfort and convenience.

AMPLE STORAGE: The innovative cab comes standard with easy to access storage, including an under-seat driver bin, flip-up passenger seat configurable space, and in-floor features for D-Rings.

IN-CAB ESSENTIALS: Integrated dual glove box for secure, easy to access storage. Enjoy the convenience of 6 oversized cup holders for tumblers or cell phones, 2 bottle holders, and a USB charging port.

ALL-DAY COMFORT: Find your happy place with a tilt steering wheel and newly styled, adjustable contoured seats with back bolsters and extra-plush seat cushions that deliver comfort from sun-up to sun-down.

PRO SHIELD CAB SYSTEM: Improved Pro Shield cab sealing ensures better weather protection and less dust intrusion so you can enjoy all-day comfort in rain, snow, sleet, and dusty riding conditions.

LED HEADLIGHTS: Work doesn't have a curfew. LED headlights provide a bold, refined look while offering enhanced lighting for those early morning or late night tasks.

EXCEEDS DURABILITY EXPECTATIONS: Strength meets comfort with durable clutching and an industry-leading 6,000 mile service interval.

PERFORMANCE WITH PRECISION: 3-Position, user-selectable throttle control to select from Performance, Work and Standard mode depending on your application.

HEAVY DUTY TIRES: 29" 8-ply Pro Armor X-Terrain tires provide maximum durability and ride comfort while 14" aluminum wheels offer premium styling.

MAXIMUM PROTECTION: When the terrain rears its ugly head, the full-body skid plate and up to 14" of ground clearance provides the most under-body and front-end protection on the market.

POLARIS HD 4,500 IB. WINCH WITH SYNTHETIC ROPE AND AUTOSTOP: Provides the power to pull and the confidence to roam with a factory-installed winch to remove trees, plow snow, or take on any task or terrain.

CAPABILITY AND VERSATILITY REDEFINED: Industry-leading box capacity with innovative features to haul more for big jobs or long recreational days.

HALF TON CAPACITY: Deeper, bigger and stronger, this cargo box lets you make quicker work of big jobs with a class-leading 1,000lb hauling capability.

5-GALLON BUCKET RINGS: Every detail has been scrutinized to deliver maximum benefit and capability including the perfectly dimensioned cargo box that fits four 5-gallon buckets across in a single row.

REINFORCED TIE-DOWN POINTS: You can haul more, more securely with four standard tie-down points to ensure your load stays secure, even in rugged terrain.
